

## Dem4BIPV Final Event

University of Cyprus, 6<sup>th</sup> June 2018

- University House, Anastasios G. Leventis, Amphitheatre B108 •

The FOSS Research Centre for Sustainable Energy of the University of Cyprus (UCY) cordially invites you to the Final Multiplier Event organised in the context of the project **“Developing Innovative material for Building-Integrated Photovoltaics” (Dem4BiPV)**, supported by the Erasmus+ Programme (Higher Education).

The aim of the event, which will be open to all target groups, is to disseminate to all stakeholders and beneficiaries the project outputs and results. The event will bring together the academia and the industry and will provide a ground for sharing and exchanging views among tutors, students, enterprises and other stakeholders on BIPV.

For more information about the program and the speakers you may view the **Agenda**.  
Registrations by 1<sup>st</sup> June to [foss@ucy.ac.cy](mailto:foss@ucy.ac.cy)

This project is funded by the KA2 Strategic Partnerships for higher education programme of Erasmus+ under contract 2015-1-NL01-KA203-008882.
